Sir,

I have the honor to state in re=
=ference to Sangatee Surayas petition
received with Official Memorandum
No: 856 of the 18th December 1890, that
the petitioner's claim is wholly un=
=tenable.

No Inam has ever been assigned
by Government directly to the petitioner
It is the temple of Kalea which has been
maintaining the petitioner & his
ancestors out of its Inam.

The temple when its resources were
good, maintained a large Establishment

at a heavy Cost, but the its resources somewhat failed by Several Changes in the old System, such as the levy of Kandayam from Ryots in Cash instead of in grain &c, it was Compelled to Curtail its Establishment

4 In 1884, when a Committee was framed for the management and administration of the affairs of the temple the members after Scrutinizing the receipts and Expenditure of the temple revised the Scale of Establishment reducing its Strength & Cost

Vide Govt Resp. No. 2107 dt 5th July/84

+ attached to Vernacular Correspondence

5 The Cash payments appeared very small in the eyes of the Stipendiaries owing to the high price of grain and this is the reason for Complaints, similar to those of the petitioners. The temple however was very Considerate to the petitioners, to whom it has been paying Rs 12/ per annum as decided by the Committee for the Services, indicated in the margin.

× Rs 6/ for singing
Rs 6/ for playing the Nagaswaram

6 The amildar and the Surgeon Officer
